Dear Prospective Sponsor,

No-Profit Tax ID#: 20-5942844

The Fury Fastpitch Softball Organization is a Non-Profit youth sports organization, based in Temecula, CA. The focus of the Fury Organization is to bring local players with desire and talent together to play at a high level of competition. All of our players are dedicated students as well as softball players and most play softball year-round in hopes of, one day, securing a college scholarship.

Our organization has three age divisions; 18 Under, and two 14 Under teams that compete throughout Southern California. As summer approaches, we are looking forward to playing in many tournaments all across Southern California with a season ending goal of competing at National Tournaments, giving our players exposure to college recruiters.

Although the kids in our program will conduct fundraisers as needed to offset the majority of our costs, the need for sponsorship is paramount to us meeting our financial budget. Your donation will go strictly to direct cost for tournament fees, equipment, travel and lodging expenses. **We are a Non-Profit Organization**, and our coaches donate their time and energy to this endeavor.

Any and All donations are greatly appreciated. For our business and larger sponsors, we try to help support your business by advertising on our web site at (www.furysoftball.net) where resently we have seen close to 20,000 hits per month on our site.

"Platinum Sponsor" (500.00 donation or more), your company name will appear on the opening page of our web site with a brief description of your company, including any contact information.

"Gold (300.00-499.00) and

Silver (200.00-299.00)" your company name is listed under the sponsor tab on our web site, with a brief description of your company, including any contact information. All three will also receive a plaque, with a picture of the team, in dedication to your sponsorship. Donation should be made out to "Fury Softball".

We want to thank you in advance for your generous consideration and look forward to making you a proud sponsor by having a great 2009-2010 season of Softball

Sincerely,
Mark Goodacre - Founder
Fury Softball Organization
